Below are questions from Incidental Publik Expose :

Questions from Supriyanto – Metroaktual.net

- What costs are planned to be reduced?*
Answer:
Reduced operational costs because coal commodity prices began to decline.
- How much will the capital expenditure (capex) be in 2023 and 2024?*
Answer:
There is no capital expenditure because we use coal hauling and overburden removal contractors.
- Are there any expansion plans from GTBO?*
Answer:
No plan
- What are the causes of GTBO's good financial reports?*
Answer:
Mainly because of good coal prices and sales
